3. Insect Killer Lamp 01

Application:

It can be widely used in agricultural crop protection area, orchards, vegetable garden, greenhouse, forestry, animal husbandry, etc. Multiple mounting of wall mounted, ceiling suspended and free standing for option.

Material: Strong and durable Aluminum (Electrophoretic), fire-retardant ABS at sides

Quality:

- * Nice elegant appearance with silm housing.
- * Strong and durable Aluminum(Electrophoretic). Shinning, oil-proof,scratch-proof,corrosion proof.
- * Fire-grade UVA lamp attracts pest in high efficiency. Ensure working life 8000 hours.
- * Easy to clean dead pest by innovation collection tray.

Colors: Aluminum silver, Plastic of sides in black

Packing: in carton

Size: 2x6w: 27.9*9.8*27.8cm, 2x8w: 35.4*9.8*27.8cm, 2x10w: 39.8*9.8*32.3cm

2x15w: 50.4*9.8*32.3cm, 2x20w: 65.6*9.8*32.3cm
